3 GIG Claims Procedure, Complaints Procedure and FAQ

A. Claims Procedure

What to do in case of an accident?

As per the regulations, in case of an Accident you must obtain a police report. The police report is required by GIG to process your claim but even more importantly is required by the workshop to carry out the repairs on your vehicle. In case various parties are involved in the Accident, the police, based on the Accident scene will define the responsibility of each party in the Accident. These responsibilities are mentioned on the police report along with a brief description and sketch of the damages occurred to the vehicle(s).

Accordingly in case of an Accident you should immediately contact the traffic police department and wait for the police to attend the scene of the Accident.

However, please ensure that you are not blocking the traffic to avoid any penalty imposed by the traffic police department.

In the unfortunate case of any bodily injury incurred to you or any of your passengers, even a minor one, or in case of damage to

personal items you should make sure that details are mentioned in the police report in order to get full entitlement of all the benefits described in this booklet.

The workshop which will repair your vehicle will only repair the damages mentioned on the police report.

Accordingly We advise you to ensure that these damages are properly mentioned on the vehicle sketch. In case you wish to repair several damages at the same time, which were caused by several Accidents or incidents, you will need to provide separate police reports for each Accident/incident that generated the damages on your vehicle. Based on these police reports, GIG will apply the adequate number of excess. Please bear in mind that the excess mentioned on your Policy schedule is applicable for each separate Accident/incident generating a damage for which there is no identified responsible third party by the police department.

What happens in case of a total loss?

In case the repair costs of your vehicle exceeds 50% of the depreciated value of your vehicle (as per depreciation schedule described in this booklet), your vehicle will be declared a total loss.

You will be responsible for transferring the ownership of the vehicle to GIG and to provide GIG with the official ownership transfer letter issued by the traffic department. Upon receipt of this letter GIG will reimburse you the depreciated value of your vehicle minus applicable excess.

GIG takes all necessary measures to issue its settlement within five working days upon receipt of the official transfer letter issued by the traffic department.

What happens in case of a court judgment?

On some occasions the police might decide to refer the Accident case to the court. This mainly happens in case of a death or bodily injury or in case one of the

drivers has infringed the UAE legislations.

In such cases, the matter will be referred to the court. You will be the sole accredited party to attend the court.

GIG will take all the required actions to have your vehicle repaired within the shortest period of time; however, GIG will not be able to have your vehicle released from the repairer unless the final court judgment is issued.

In case the Accident is referred to the court, you need to contact GIG immediately. GIG will reserve the right to appoint a legal representative in order for GIG to manage your case through its lawyers.

B. Frequently Asked Questions

1. Why can't the insurance and registration be in two different names?

The Policy holder should normally be both the main driver of the vehicle and the registered owner. The Policy holder must have a financial interest in the vehicle. The traffic department will only register a vehicle in the name stated on the certificate of motor insurance.

2. How do You calculate my insurance Premium?

A number of factors are used to calculate your insurance

Premium. Amongst these factors are the age of the driver, length of driving experience, claims history, location, value of the vehicle and type.

3. Why can't the insurance be transferred when the vehicle is sold?

As the insurance Premium is affected by the profile of the driver, it is not possible to simply transfer insurance cover from one driver to another. The existing Policy must be cancelled. The new owner will then be given a new insurance Policy that is required for registration purposes.

4. Which garages will you use to repair my Car?

If you have selected agency repairs then your vehicle will be repaired at the vehicle's authorised dealership. Otherwise GIG will select one of its own authorised repairers. We only use garages that adhere to our strict quality controls. Garages must have experienced, qualified personnel and access to sophisticated repair equipment. For this reason we are able to offer a 6-month guarantee on mechanical repair and

12-month guarantee on body repairs and paint jobs.

5. How does GIG's motor insurance differ from other insurance companies in the market?

GIG provides one of the highest levels of motor protection in the Middle East, combined with the security and service standards of a large international operation, 24-hour Accident recovery, guaranteed repairs and extended opening hours. If you are being offered insurance cover from another source at a lower Premium, please make sure you do a cover to cover comparison and not just a Premium one.

6. Can I choose which garage I want to take my Vehicle to?

If you have opted for agency repairs then your vehicle will be repaired at the main authorised dealership. Otherwise GIG will select one of its authorised repairers. The garage we choose will depend on the vehicle type, nature of damage and availability.
